

# Boost your heating and cooling sales.

Financeit is the preferred HVAC POS financing provider in Canada. Grow your heating & cooling sales with exclusive and tailor-made financing options.

## Why offer Financing?

Build budget confidence in your customers by offering no-nonsense and no-interest financing options on home improvement projects.

### Be more competitive

Financing makes large purchases more affordable and creates opportunities to include upgrades or add-ons.

### Delight your customers

Interest rates are lower than most credit cards. For an added incentive, offer a promotional rate<sup>1</sup>.

<sup>1</sup> Merchant fees apply for promotional rates.

### Get paid faster

You get paid in full directly to your bank account after the project is completed or the product delivered.

## The Financeit advantage:

- **Largest point of sale lender in the Canadian home improvement industry**
- Credit limits of up to \$100,000<sup>2</sup>
- Homeowner verification not required for loans under \$40,000
- 6-month approval windows
- Fast credit decisions
- No merchant fee options available
- Promotional programs available<sup>2,3</sup>:
  - Interest rate merchant buydowns
  - 0% interest
  - Deferred payments

<sup>2</sup> On approved credit from Financeit Canada Inc. Terms and conditions apply.

<sup>3</sup> Fees apply when offering promotional programs.

## How it Works:

1

### Pre-qualify your customer on the spot.

Verify customers financing eligibility with minimal information & no credit score impact.

2

### Submit a customer application in minutes.

Customers can apply in-person, online through your website, or via a private link from you.

3

### Applicant receives a fast credit decision.

Approved customers receive a loan agreement with Financeit to e-sign.

4

### You get paid the loan amount after work completion.

Customers can pay off their loans early, with no penalty.
